

```
C:\Windows\System32\wsl.exe X root@LAPTOP-AI4VE3LU:/home krupa_bawane + - X  
Installing, this may take a few minutes...  
Please create a default UNIX user account. The username does not need to match your Windows username.  
For more information visit: https://aka.ms/wslusers  
Enter new UNIX username: krupa_bawane  
New password:  
Retype new password:  
passwd: password updated successfully  
Installation successful!  
To run a command as administrator (user "root"), use "sudo <command>".  
See "man sudo_root" for details.  
  
krupa_bawane@LAPTOP-AI4VE3LU:~$ man ls  
krupa_bawane@LAPTOP-AI4VE3LU:~$ ls -la
